

Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Wednesday 24 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Bright with a few showers for the north, windy later.

Today:

Rain in central and southern Scotland clearing in the morning. Otherwise sunny spells and occasional showers, mainly confined to the north and west, turning wintry on higher ground. Strong to gale force northwesterly winds in the north later.

Tonight:

Very windy for the north and Northern Isles with frequent showers here but drier and clearer with widespread frost for southern and central Scotland. Feeling very chilly.

Thursday:

Showery in the north, dry and bright for the south. Showers turning increasingly wintry to lower levels later. Feeling cold in strong northwesterly winds. Cloud and rain later in west.

Outlook for Friday to Sunday:

Wet and windy start on Friday, becoming showery with a wintry mix later. Severe gales on Friday night and Saturday, wintry showers likely to low levels. Drier and brighter Sunday.
